CHAired BY:

Ms Aoife Doyle FRCOphth
Consultant Ophthalmologist
Royal Victoria Eye and Ear Hospital Dublin

VENUE:

Royal Victoria Eye and Ear Hospital Educational
& Conference Centre, Dublin

DATE:

Wed 22nd April 2015, 17.45 – 20.50

The Ophthalmology Professional Education Network (OPEN), part of The Alcon Academy, is an innovative educational programme designed to provide ophthalmologists with unique opportunities to meet and learn from leading clinical and surgical experts.

We are delighted to invite you to the Royal Victoria Eye and Ear Hospital for an evening programme devoted to the future of delivering an efficient Glaucoma Service. Our distinguished faculty will lead you through a series of hot topics and challenging clinical cases. We hope that you will be able to join us for what promises to be an engaging educational experience

To register for this programme or for more information, please contact Robert King-Hall at: Robert.king-hall@alcon.com or on 00353 86 2523911
